CHIBA Saori

Nitori-kun's classmate. She finds some of the other girls to be annoying, and isn't always good at dealing with her feelings. She recently became a Christian.

NITORI Shuuichi

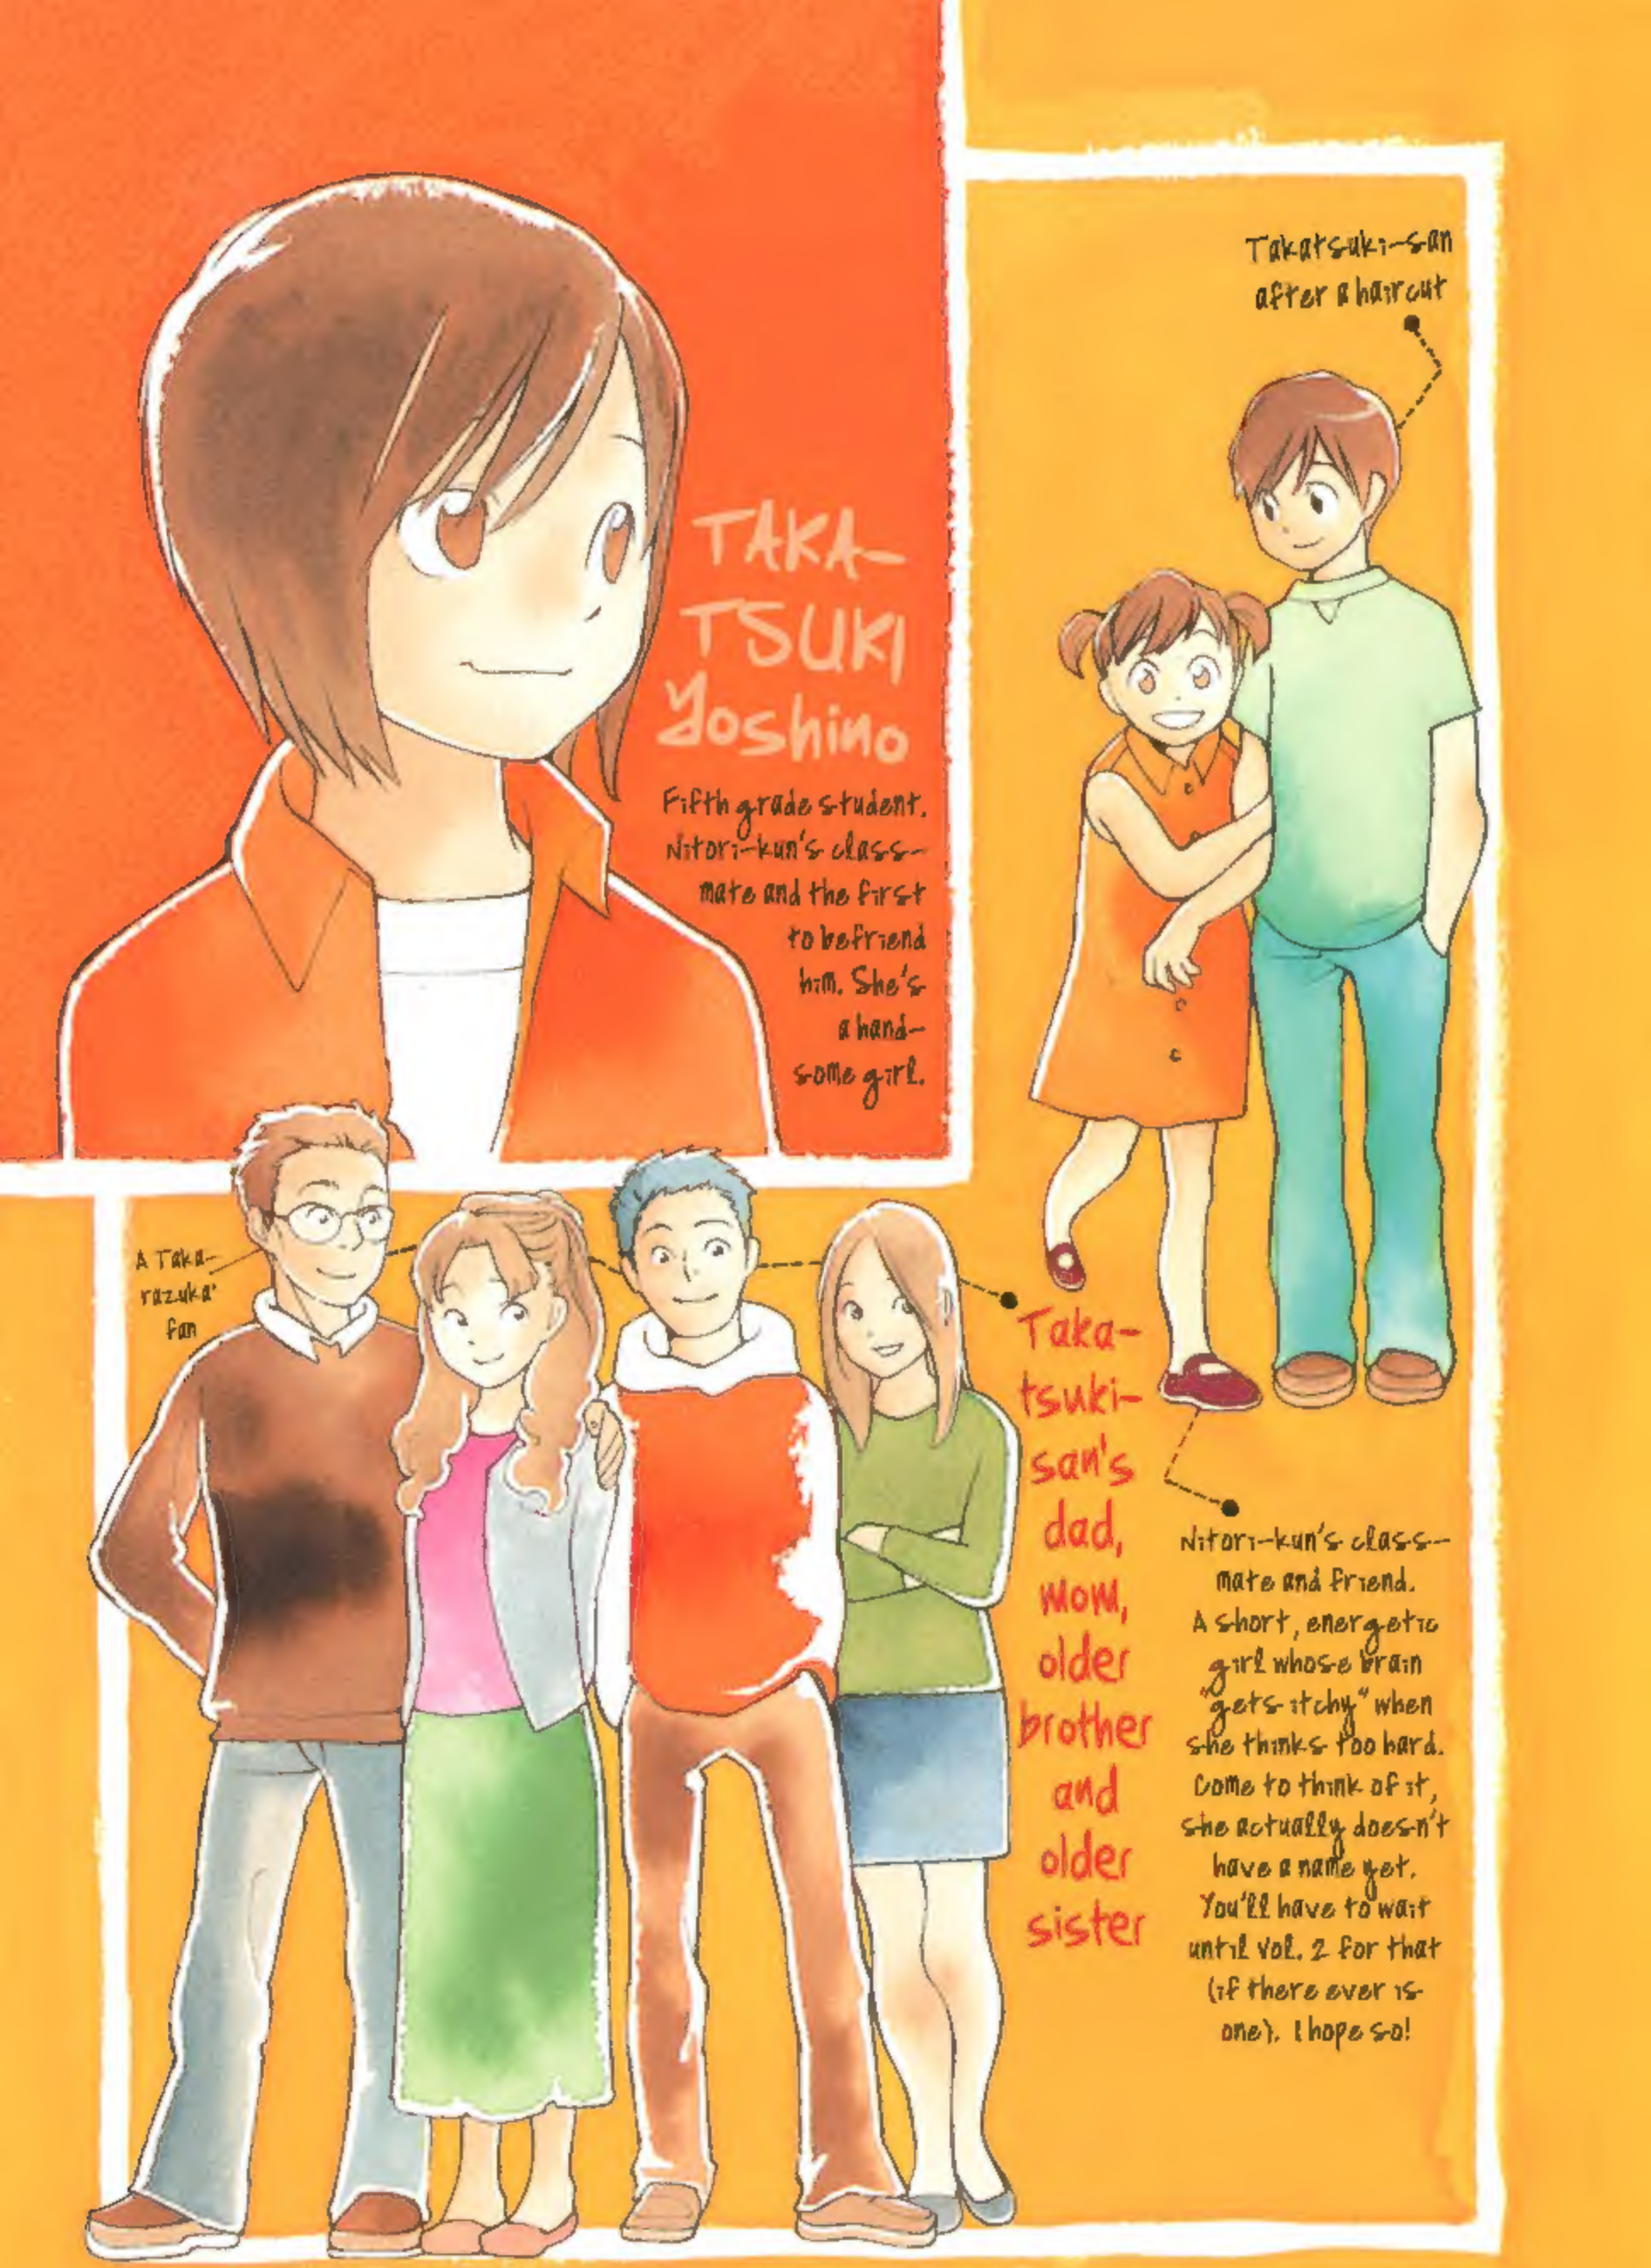
Fifth grade student. A quiet, docile boy, but when you look at the fact that all his friends are girls, he might be a real brat.

NITORI Maho

Nitori-kun's big sister. She can be pretty mean.

Nitori-kun's mom and dad

The family gets along well with each other.



TAKA-TSUKI Yoshino
Fifth grade student. Nitori-kun's classmate and the first to befriend him. She's a handsome girl.
Takatsuki-san after a haircut
A Takarazuka* fan
Takatsuki-san's dad, mom, older brother and older sister
Nitori-kun's classmate and friend. A short, energetic girl whose brain "gets itchy" when she thinks too hard. Come to think of it, she actually doesn't have a name yet. You'll have to wait until vol. 2 for that (if there ever is one). I hope so!

YOU'RE CHEERFUL, AND YOU GET ALONG WITH EVERYONE, SO YOU'LL BE OK.

WHAT AM I GONNA DO IF THEY PICK ON ME?

YOU'RE A CHEERFUL GIRL, MAHO-CHAN. YOU'LL BE OK.

IT'S ABOUT TIME FOR ME TO GO.

Yikes!

Farewell Party

Aww, no way!

Sorry it's so sudden, but...

Sorry.

Eh, moving?

Well, this is our new home.

I'm jealous!

I can't believe him...

Thank you...

Everyone made these candies.

You better write! Promise?

I CAN'T STAND IT!

And there you have it, "Hourou Musuko" vol. 1. As always, I, Shimura Takako, draw a story where the characters don't look very different, the panels are too white, and everything has a heaping helping of pathos. For those who are familiar with my works, and for those who aren't, whether or not you continue to read them consumes my thoughts. Each time, the characters get smaller and more loli, as with the current work. Sorry!

July 2003, Shimura Takako

Special thanks to Ishide Den-sama. Thank you for everything!

That will be 472 yen.

If you buy that much, they'll get mad.

Me too.

I'm going to the corner store.

Watch out for cars.

This could have happened...

...and they might have just forgotten about it.

Geez!

Loan me 500 yen.

Welcome.

This took place right before the change of school...
